Tuesday, July 10, 2018
11:00 am - 04:00 pm
800 GI Maddox Pkwy
Chatsworth, GA 30705

Schedule your appointment today by clicking the link above.

Summer is a difficult time in blood banking, donations are down, and hospital usage is high. Blood Assurance is asking area first responders to partner this summer in saving lives and host blood drives from June 1st through August 31st. It's a battle to get the most donors, and the top station will receive a \$500 grant to go toward a first responder's education or new equipment. Rally your community this summer to save lives together.

Please eat a good meal, drink additional water and avoid energy drinks!

Schedule your appointment to donate blood at this [blood drive](#) or at one of our local blood centers by calling **800.962.0628**, texting **BAGIVE** to **444999**, or [click the link below](#). Thank you for supporting our blood drive and your community. We look forward to seeing you soon!

Schedule your donation at MyBloodAssurance
